The event will take place over 2 days. It will consist of 4 double bit competitions and 3 tomahawk/small axe competitions. Detailed rules are available in pdf format on the KATTA rules, regulations and scoring Facebook page and official KATTA website.

Registration requesting 50% pre-payment will become available in January 2018 via **John Taylor** (pm via KATTA Facebook page).

Registration for competition and assessment of axes/hawks will be available from the afternoon of Friday 27<sup>th</sup> April at the event site. Details of what implements are allowed are as above (this is broadly compatible with the World Championship 2017 rules for double bit and European rules for tomahawk **but** there are some minor KATTA UK specific variations, please read them).
